Located at 411 East 400 North
Originally built by Thomas Todd
Built in 1879

16. Historic Site, National Register — THE THOMAS TODD HOME, built by Mr. Todd, was completed in 1879. It is located at 411 East 400 North. The home has remained in the Todd family ever since. He led the Heber City Choir for many years. The small building just east of the house is interesting in that it is built of sandstone without mortar.
